5 April 2023

08.00-08.30 **Registration**

08.30-08.50 **Opening remarks:** Roengsak Leetanaporn

Moderators: Worakan Promphan, Supaporn Roymanee

08.50-11.00 **TEER and PPVI**

Moderators: Sir Shakeel Qureshi, Mann Chandavimol

Panelists: Robin Hay-son Chen, Gareth Morgan, Krissada Meemook, Suphot Srimahachota, Tawai Ngernsritrakul

Live case coordinators: Kanjarut Wongwaitawee Wong, Jirayut Jarutach

Q&A moderator: Ming Chern Leong

Facilitators: Sirichai Cheewatanakornkul, Watchara Lohawijarn

08.50-09.30 **Live case transmission from The Second Affiliated Hospital Zhejiang University School of Medicine: DragonFly**

Operators: Jian'an Wang, Xianbao Liu and team

09.30-10.00 **Live case transmission from PSU: VenusP-Valve**

Operators: Shouzheng Wang, Gejun Zhang, Rujira Buntharikpornpun, Pimpak Prachasilchai, Supaporn Roymanee, Worakan Promphan

Lectures

- RVOT morphology and suitability Ankavipar Saprungruang
- Valve selection Gejun Zhang
- Tips and tricks to facilitate the implantation Gareth Morgan
- Overcoming the possible complications Sir Shakeel Qureshi

11.00-11.30 Coffee Break

11.30-12.15 **CSI @ PSU : Keynote Lectures**

Moderators: Worakan Promphan, Supaporn Roymanee

- Three cases I'll never forget Horst Sievert
- How to reduce the human errors and optimize the procedure results Mario Carminati
- How to be a good and a great interventionist Sir Shakeel Qureshi

12.30-13.15 **Luncheon symposium: PFO closure by Abbott**

Moderators: Pat Korathanakhun, Sunti Limumpornpetch

- Neurologist Perspective Sureerat Suwatharangkoon
- Cardiologist Perspective Mann Chandavimol

13.15-14.45 **rTOF: How can we maximize patient QOL and survival**

Moderators: Gareth Morgan, Alisa Limsuwan

Panelists: Jou-Kou Wang, Lan Hieu Nguyen, Jae Young Choi, Voravit Chittithavorn, Jule Namchaisiri

Live case coordinators: Kanjarut Wongwaitawee Wong, Jirayut Jarutach

Q&A moderator: Do Nguyen Tin

Facilitators: Kanyalak Vithessonthi, Thanawat Suesat

Lectures

- Optimize timing for PV replacement Saviga Sethasathien
- How I can make your PPVI easier with imaging Phuoc Duong
- Paradigm shift in TOF repair Pirapat Makarapong
- Hybrid PPVI: benefits and risks Robin Hay-son Chen

14.15-14.45 **Live case transmission from PSU: VenusP-valve**

Operators: Ghee Tiong Koh, Ming Chern Leong, Rujira Buntharikpornpun, Pimpak Prachasilchai, Supaporn Roymanee, Worakan Promphan

14.45-15.00 Coffee Break

15.00-16.30 **TAVI**

Moderators: Mann Chandavimol, Tasalak Thonghong

Panelists: Anuruck Jeamanukoolkit, Kid Bhumimuang, Wilfred Dee, Purich Surunchupakorn, Vorarit Lertsuwunseri

Live case coordinators: Nishanan Panichnantho, Kanyalak Vithessonthi

Q&A moderator: Chanikarn Kanaderm

Facilitators: Thanapon Nilmoje, Tawai Ngernsritrakul

15.00-15.30 **Live case transmission from PSU: VenusA-Valve**

Operators: Jianfang Luo, Pongsanae Duangpakdee, Thanawat Suesat, Sirichai Cheewatanakornkul

Lectures

- Introduction to VenusA-Pro System: Design and Clinical outcomes Jianfang Luo
- Procedural Optimization to Minimize Conduction Disturbances Tasalak Thonghong
- TAVI Durability: What We Know ,What We Don't and When Will We Know Kid Bhumimuang
- TAVI for Bicuspid AS: Optimal Sizing, Positioning & Valve selection Yuan Feng

16.30-18.00 **End of session - Bus transfer back to Hotel**

18.30-21.00 **Celebration Dinner**

PSU NRHC: Pushing the boundaries of Surgical and Interventional UNRivalled Heart Care

Special Guests: Chinese consul, Niwat Keawpradub, Thongchai Keeratihuttayakorn, Sir Shakeel Qureshi Kritvikrom Durongpisitkul, Suphot Srimahachota

Moderator: Teerha Piratvisuth

Welcome Speech Kittipong Riabroi

18.30-19.00 **MOU signing ceremony: Collaboration for PPVI training program**

Trainers: PSU, QSNICH, Rajavithi Hospital

Collaborators: CCIT, MNRH, Surattani hospital, Hatyai hospital

19.00-21.00 **One belt One Road One heart**

- PSU in collaboration with China Roengsak Leetanaporn
- China Structural Revolution Hou-Sen Lim
- Biodegradable device, where are we now Shouzheng Wang

PSU CSHD: *One world heart* : Unite for mankind

6 April 2023

08.00-09.50 ASD closure: Different Device Different type of patients

Moderators: Do Nguyen Tin, Mann Chandavimol
Panelists: Jonas Del Rosario, Ming Chern Leong, Chanikarn Kanaderm, Jou-Kou Wang, Pornthep Lertsapcharoen
Live case coordinators: Lalita Honghiranrueng, Rujira Buntharikpornpun
QQ&A moderator: Manish Shrestha
Facilitators: Saranyou Suwanugsorn, Phuoc Duong

08.00-08.25 Live case transmission from PSU : ASD in elderly (Vascular Innovation)

Operators: Thanawat Suesat, Kanjarut Wonwaitaweewong, Vorarit Lertsuwunseri, Suphot Srimahachota
TEE: Ankavipar Saprunguang, Nattagan Tanwong

08.25-08.50 Live case transmission from PSU : ASD with severe PAH (Occlutech)

Operators: Watcharaporn Purimano, Rattapon Wongwandee, Supaporn Roymanee, Jae Young Choi
TEE: Nakharin Tonklang, Kraiwat Pattharasipong

Lectures

- Special considerations in ASD closure
 - In small children Jonas Del Rosario
 - In deficient rims Hideshi Tomita
 - In the elderly Thanawat Suesat
- Which ASDs I won't urge interventionist to close? Tawai Ngernsritrakul

09.50-10.10 Coffee Break

10.10-12.00 TAVI

Moderators: Suphot Srimahachota, Krissada Meemook
Panelists: Nattawut Wongpraparut, Tasalak Thonghong, Kid Bhumimuang, Narathip Chunhamaneewat, Jianfang Luo
Live case coordinators: Chanikarn Kanaderm, Kanyalak Vithessonthi
Facilitators: Ply Chichareon, Treechada Wisaratapong

Lectures

- Echo and Cath Gradients Discordant post TAVR: what we have learned and how to apply Amr E Abbas
- Sapien 3 and small annuli: Technical Issue and Clinical Outcomes Nattawut Wongpraparut
- Updated in S3 Optimal sizing, Positioning and Possible Repeating Narathip Chunhamaneewat
- Debate Topic: When our patients need TAVI valve for the first time in 2023 Self-Expandable TAVR is the way to go! Tasalak Thonghong
Balloon – Expandable Valve is better! Nattawut Wongpraparut

11.30-12.00 Live case transmission from PSU: TAVI (Edwards)

Operator: Sirichai Cheewatanakornkul, Pongsanae Duangpakdee, Thanawat Suesat, Mann Chandavimol

12.00-13.00 Educational symposium

Moderators: Purich Surunchupakorn, Vorarit Lertsuwunseri
• Advancements in Evolut platform and durability Jeffrey Popma
• Patient screening and selection for TEER ; What to consider in 2023 Tawai Ngernsritrakul
• Live in a box: Mitra Clip Krissada Meemook
• DragonFly Yuan Feng

13.00-14.30 PPVI

Moderators: Mann Chandavimol, Piya Samankatiwat
Panelists: Pimpak Prachasilchai, Jule Namchaisiri, Jae Young Choi, Gareth Morgan, Hideshi Tomita
Live case coordinators: Ghee Tiong Koh, Jirayut Jarutach
Q&A moderator: Ming Chern Leong
Facilitators: Chutima Kraikriangsri

13.00-13.45 Live case transmission from PSU : PPVI (Edwards)

Operators: Kritvikrom Durongpisitkul, Pornthip Panjasamanvong, Supaporn Roymanee, Worakan Promphan, Dan Levi
Lectures
• Case base learning and round table discussion (30 min)Kanyalak Vithessonthi
• When do the patients need AICD, not PPVI? Supaluck Kanjanauthai
• Pre-assessment of patients with RVOT dysfunction-what is the optimal strategy Dan Levi

14.45-15.00 Coffee Break

15.00-17.15 Time for younger generation. We'll just cast a glance on you

Moderators: Kritvikrom Durongpisitkul, Pornthep Lertsapcharoen
Panelists: Jonas Del Rosario, Phuoc Duong, Jou-Kou Wang, Do Nguyen Tin, Piya Samankatiwat
Live case coordinators: Panthip Patrakunwiwat, Rattapon Wongwandee
Q&A moderator: Katanyoo Boonyavanichkul
Facilitator: Kraiwat Pattharasipong

15.00-15.25 Live case transmission from PSU : ASD closure (Abbott)

Operators: Aishath Eleena, Chutima Kraikriangsri, Khwaunrat Whaidee, Jirayut Jarutach
TEE: Navaporn Phiphattananatikanunt, Tawai Ngernsritrakul

15.25-16.00 Live case transmission from PSU: VSD Closure (Konar MF Occluder)

Operators: Nantawan Su-angka, Chattinee Kao-ean, Naresh Kumar, Rujira Buntharikpornpun
TEE: Lalita Honghiranrueng, Nakharin Tonklang

Lectures

- VSD anatomy and 3D imaging Ankavipar Saprunguang
- Which device for which morphology? Do Nguyen Tin
- Tips & Tricks for non fluoroscopic septal closure from Indonesia Radityo Prakoso
- How we set up cardiac intervention in Nepal Manish Shrestha
- Work-Life-Flow: How you can follow my path to celebrate next year together Sir Shakeel Qureshi

17.15-17.30 Closing ceremony

Medtronic
